Attached is an email postcard regarding the upcoming Plan Commission Hearing on the proposed Deer Park Estates at Quentin and Long Grove Roads. Meeting will be Monday, 7 pm, Quentin School, and the public will have an opportunity to speak.

Deer Park Neighbors has a great deal of information on this development--you are welcome to call if you would like to make a time to learn more about the development. A number of us active members have been asking questions and doing research; this upcoming hearing will result in the Plan Commission's recommendation to the Board of Trustees regarding final approval.

Every day, we talk to Deer Park residents who are still unaware of the details of this proposed development. Others are aware of the development, but do not believe their voices will be heard.

As you know by now, we believe in honest, open discussion so that all residents and property owners in Deer Park have sufficient information to form their own opinions and have forums in which to express themselves.

If you would like to know more about Planned Developments, you may want to read the Municipal Code, particularly Title XV: Land Usage, Chapter 153, Planned Developments. This is available at the village web site to read online or download in PDF format. [http://www.village.deer-park.il.us/municipal\\_code.htm](http://www.village.deer-park.il.us/municipal_code.htm)

Also online at the village web site are a number of other documents, accessible via the site map. [http://www.village.deer-park.il.us/table\\_of\\_contents.htm](http://www.village.deer-park.il.us/table_of_contents.htm)

Deer Park Neighbors is working on a number of issues at present, the new development is just one. The issues we explore come up from among our membership. Your acting officers will be meeting tomorrow evening. IF YOU HAVE QUESTIONS, CONCERNS, ISSUES you'd like us to explore, please reply to this email or call one of the numbers below.

We also want you to know that a representative of Deer Park Neighbors will come to your next subdivision meeting or block party. That is a great opportunity to learn more about our organization and to spend some time exploring your specific issues.

Please feel free to forward this email or print out the attached and share it with neighbors and friends.
