Attached are four pages regarding Appropriations. These are the documents referred to in the public notice of the meeting 6/19/06. (See below for copy of notice published previously in the Daily Herald.)

The document has been scanned to PDF by Deer Park Neighbors from the copy given to us at Village Hall. Of course, you can view the original posted on the bulletin board at Village Hall.

We have also attached John Lahr's UNOFFICIAL personal summary of the budget discussions that took place at the 4/24/06 Board of Trustees meeting.

You may want to print these pages out and bring them with you at 7 p.m. Monday, June 19, at Quentin School. These are your dollars and cents; your attendance is vitally important: "All interested persons will be given an opportunity to be heard at the Public hearing."

Meanwhile, there's something new going on in town. Popping up all around town you will notice more and more lime-green ribbons waving proudly. These are flown by Deer Park Neighbors. What does the ribbon stand for? Transparency in government.

The ribbons are provided courtesy of Deer Park Neighbors, and we deliver. Just email or call to tell us how many ribbons you and your neighbors need.
