We are very pleased to announce that Kildeer Police Officer Justin Rundall will appear at our upcoming Deer Park Neighbors Open Forum. The meeting will be at Barrington Area Library on Thursday, Nov. 30, 7:30-9:00 pm.

At our Open Forums, we brainstorm together and offer resources to address and resolve your concerns, because together, we ARE stronger. Even better, we get to know each other as neighbors and friends--it's always a fun time.

Specific police-related that have been communicated by Deer Park Neighbors members are the problem of door-to-door solicitors and the speed of cut through traffic. He'll also make suggestions for securing your home during vacations. But above all, he will be with us to answer YOUR questions.

While you are at the library, take a few minutes to see the DPN collection of meeting videos. These are shelved on the first floor in the New Materials department and are available for check out. Deer Park meetings are not telecast, so this has been a real boon for residents who are unable to make the Village meetings.

We cannot say how much the hard work of Videographer Dick Chay means to DPN--it's all about transparency in government.

We know this is a busy time of year, so we're condensing our Nov. and Dec. meetings into one event. Please talk with friends and neighbors, and please let us know you will be there.
