Re: Deer Park Police Services

Dear Bob,

As a follow-up to our telephone conversation this morning this letter shall confirm that the Village of Kildeer's offer of \$1,300,000 contained in the letter dated July 22, 2011 to the Village of Deer Park consists of the following police services:

1 dedicated patrol car to Deer Park on a 24hr. per day, 7 days a week basis; and  
1 shared patrol car for the Rand Road Corridor (whose patrol area is approximately 85% in Deer Park and includes the Deer Park Town Centre) 24 hrs. per day, 7 days a week.

In addition to the two patrols described above, there will be a patrol car in Kildeer on a 24hr. per day, 7 days a week basis that will be available to assist in Deer Park if not otherwise engaged in a call.

As you indicated in our conversation this morning, if Deer Park desires to have a dedicated Deer Park patrol car 24 hrs./7 days and a dedicated Rand Road Corridor patrol car 16 hrs./7days, as well as the Kildeer back-up, the cost would be \$1,407,167 for the first year with an annual 4% cost of living increase. If you prefer 24 hour coverage for the dedicated Rand Road Corridor car, the initial cost would be \$1,621,501.

As we also discussed, a necessary part of any agreement includes a release of any claims each Village may have against the other.
