To Deer Park Officials,

I was quite ecstatic to see this tax hike fail, as it surely should have.

Why did we get in our mail yesterday yet another "notice" on why we needed to vote YES on this stupid tax hike? This is wasted tax money, as you mentioned in this flyer the long past 1/28 meeting. It looked as tho you were desperate to convince us dumb taxpayers to vote yes. Well it didn't work.

Can we depend on you to not force this on us yet another time, and yet more and more times, when in fact the People of Deer Park have spoken. If not, when are you going to get this on the ballot again? Doubtless you would try for the off season, like you just did yesterday, hoping few will show up, as you know the heaviest turn out is in November.

Again, I want to emphasize that you wouldn't need this tax hike if you would have used the funds you already had for road repair instead of WASTING THIS MONEY ON THE BLOVIATED AND TOTALLY USELESS VEHE FARM. This "farm," if that important, should have been financed by OUTSIDE FUNDS and not by US.

Us taxpayers are TIRED OF PAYING FOR YOUR EXCESSES.

The People Have Spoken. Please WAKE UP and smell your DEFEAT.
